DWA_03.5 Knowledge Check_DWA3.2

_____

1. User story(ies) in Gherkin syntax for the "+" button.

Feature: As a Tally Counter user, I want to be able to add numbers so the value can increase

As a user, I want to be able to increase the tally count, so that I can keep track of the count.

Scenario: Increase the tally count using the add button.
    Given the Tally counter app is open
    And the initial tally count is 0
    When the user presses the add button
    Then the tally count should increase by 1
    And the updated tally count should be displayed

2. User story(ies) in Gherkin syntax for the "-" button.

Feature: As a Tally Counter user, I want to be able to minus numbers so the value can decrease

As a user, I want to be able to decrease the tally count, so that I can subtract from the count if needed

Scenario: Increase the tally count using the add button.
    Given the Tally counter app is open

And the initial tally count is more than 0
When the user presses the minus button
Then the tally count should decrease by 1
And the updated tally count should be displayed
